_____ I would like to sponsor and set up a 10' x 10' display without electricity for \$35.

We are looking for winter holiday displays or scenes that you would provide. The theme can vary but needs to be something that would be from the 1950s or earlier in time. Think fairy tales, Christmas songs, Currier & Ives, Snow people, etc. No inflatables please. You provide all display items, and lights, if any. There are a limited number of outside outlets that can accommodate a limited amount of power draw. The spaces will be near a lamp post so that your scene can be viewed during day light and evening.

Display must be pre-approved and set up after Thanksgiving and by December 2. It must remain in place until January 31 after which time you are responsible for removing. **Thank you for your contribution.**

Please send payment to Chesterfield Township Historical Society and mail to 47275 Sugarbush Rd, Chesterfield MI 48047 or drop off at the Township offices at the same address.
