

## Chesterfield Township Historical Society Holiday Walk Sponsorship

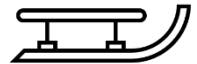

\_\_\_\_\_ I would like to sponsor a light pole for \$150.

Greenery will be strung around a light pole along the historical village drive.

A sign approximately 9"x12" will be placed by the light pole.

All work and materials will be provided for you.

**Thank you for your support.**

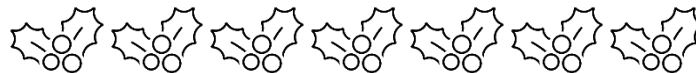

\_\_\_\_\_ I would like to sponsor and set up a 10' x 10' display with electricity for \$50.

We are looking for winter holiday displays or scenes that you would provide. Think fairy tales, Christmas songs, Currier & Ives, Snow people, etc. You provide all display items, and lights, if any. There are a limited number of outside outlets that can accommodate a limited amount of power draw. The spaces will be near a lamp post so that your scene can be viewed during day light and evening.

Display must be pre-approved and set up by December 1. It must remain in place until January 31 after which time you are responsible for removing.

**Thank you for your contribution.**

Please send payment and form to:
