VOLUME 1 ISSUE 8

NOV.-DEC. 2005

## It's Eileen in a Landslide!

Eileen Rivard was elected as the third president of the Chesterfield Township Historical Society. Outgoing president George Furton handed over the gavel to Irene at the October 3rd meeting which was held at the new Chesterfield Public Library at 50560 Patricia Street. It is a Rivard administration with Eileen's husband Roy re-elected as Vice-President. The position of secretary was divided into the two positions of Recording Secretary and Correspondence Secretary. Kathy Vosburg, the former secretary, will be the Recording Secretary with Deborah Walsh as the new Correspondence Secretary. Mary K. Darden will continue as Treasurer, with George Deeby and Janine Smith as Trustees.

Eileen is only the third person to be president of the historical society. Past president George served for the past year and Don Howitt was president for the ten years previous.
